

# Hydraulics Technology 1: Course Materials

The following materials are necessary for completion of the course.

	Qty. (Max. per Skill Drill)
<b>Hardware</b>	JMTS Panel 1
	Hydraulic power pack 1
	Oil tray 1
	Double-acting cylinder 1
	4/3 closed center valve 1
	Pressure gauge 2
	Flow meter 1
	2 m hose 2
	0.8 m hose 4
	0.5 m hose 4
	Bi-directional control valve 1
	Unidirectional control valve 1
	Hex driver 1
<b>Software</b>	HydraMotion simulation software
<b>Additional Required Materials</b>	Safety glasses
	Rags or paper towels
	Pen or pencil
