

LearnMate Project: Precision Measuring Device

Catalogue Number	7006-0001
Category	LearnMate Projects
Duration	15 Hours

The Precision Measuring Device Project

The Design Process

Documentation

1. Problem Identification

1.1: Specifications

1.2: Problem Clarification

2: Brainstorming

3: Analysis

4. Prototyping

5: Testing and Optimization

5.1: Optimization

5.2: Testing Modifications

6: Presentation

Conclusion
