

PLC Technology 1 with S7-1200 Course Materials

The following materials are necessary for completion of the course.

		Qty. (Max. per Skill Drill)
Hardware	JMTS mounting panel	1
	Power supply module	1
	Operational module	1
	PLC module	1
	Solenoid module	1
	DC servo module	1
	HMI module	1
	Electrical connectors	
	1.5 m Ethernet cable	1
	0.3 m Ethernet cable	1
Software	STEP7 TIA Portal V13	
Additional Materials	Computer
