

# PLC Technology 2 with S7-1200 Course Materials

The following materials are necessary for completion of the course.

Qty. (Max. per Skill Drill)	
<b>Hardware</b>	JMTS mounting panel 1
	Power supply module 1
	Operational module 1
	PLC module 1
	Solenoid module 1
	DC servo motor module 1
	HMI module 1
	Electrical connectors
	1.5 m Ethernet cable 1
	0.3 m Ethernet cable 1
<b>Software</b>	STEP7 TIA Portal V13
<b>Additional Materials</b>	Computer
